Hi Ankita/Nishant,

Please consider this mail as a notice of my resignation. I have got very good offer and I think this is good opportunity to build my career.

Thank you so much to both of you for giving me opportunity to work with Nanostuffs. It was a pleasure to learn the things while working.

Also lots of thanks for onsite opportunity which you gave me, which was really an awesome experience!!

As per employment contract I will be serving notice period for next 30 days.

Thank you,
Minakshi
